- AIR 205 in CUET (for MCA)
- AIR 727 in NIMCET (for MCA)

Hobbies

- Playing and learning guitar
- Exploring and learning new technologies
- Watching Sci-Fi Movies

PROJECTS

ShieldTalk | In Development | MERN/Typescript

- Multi Chat Mode (Text/Audio/Video)
- **Multi-factor auth** (2FA, OTP, Google Authenticator) with **JWT refresh tokens** and Zod validation.
- Building **WebRTC/Socket.IO** infrastructure for encrypted video/voice/text chats with moderation tools
- Integrating **payment gateways** (Stripe, Razorpay, Crypto) and **Swagger API documentation**.

Link-Pod - MERN | Freelance 2024

- Linkpod is a **LinkedIn extension** that allows users to interact with LinkedIn posts seamlessly.
- **Authentication** using the LinkedIn account
- Create Posts, Comments & Likes on the **user's behalf**
- Managed authentication system using **token-based authentication and cookies**.
- Collaborated with front-end developers to integrate back-end functionalities seamlessly.
- Ensured scalability and performance optimization of backend services.
- Implemented security measures to protect user data and ensure compliance with privacy regulations.

Pizza App (React-Native) Solo Project | 2024

Built a mobile pizza ordering app using React Native and TypeScript with navigation, persistent cart (Redux Toolkit + AsyncStorage), and modular folder structure for maintainability.

futureigra.in 2024

- Futureigra.in is an online educational platform offering a curated collection of pre-recorded lectures.
- **Authentication System:** Implemented a secure authentication system using **Firebase**, enhancing user privacy and data protection.
- **UI and UX Development:** Designed and developed intuitive user interfaces to improve user engagement and satisfaction.
- **Token Management:** Implemented token-based authentication to enhance security and streamline user sessions.
- **Server Management:** Managed server infrastructure to ensure optimal performance and scalability of the platform.
- **Payment Gateway Integration:** Integrated a payment gateway to facilitate secure and convenient transactions for users.
